

# Big or small move. U-Pack's the way to go.

## U-Pack has options to suit a variety of needs.

- Trailers are 28'x8'x9'. Pay only for space you use. It's the perfect solution if you aren't quite sure how much room you'll need.
- ReloCube™ containers are 6'x7'x8' — big enough for a room's worth of furnishings and small enough for a parking space. You lock it and keep the key. There's even a storage option.

You can choose to load at your residence, a storage facility, or at one of the ABF customer service centers located throughout the country.

## How It Works:

- U-Pack delivers an empty unit to your home.
- You have three days to load.
- ABF drives to the new location.
- You have three days to unload.

All fuel and transportation charges are included. All equipment is owned and operated by ABF, North America's Most Trusted Carrier.

Your company is a member of the U-Pack Corporate Relocation Program, which means you enjoy an array of special incentives designed for employee relocations.

Go U-Pack. It's a smart move.
